

Beechview Swim and Tennis Club

July Newsletter 2016

President's Report:

Hello Beechview members,

Summer has arrived and hopefully is here to stay until September.

I just want to take a moment to thank the board for the hard work they have put in so far and to recognize all the work they have yet to do. The board, along with the new management team are working very hard and we hope you notice all of the improvements we have made this year.

The club was open for weekends in May and part of June; we were very lucky that we have had so many nice sunny days to enjoy the facility, friends and family. We are now open full time and are taking advantage of our club by swimming, playing tennis, enjoying our new Gaga Pit and swing set while meeting new friends and making memories.

Our swim and tennis teams are up and running. Everyone is having fun and improving their skills under our great coaches.

The board has decided to divide up the Pool and Grounds position into 2 separate groups: Grounds and Beautification & Pool and Grounds. We are in need of 2 people per group. If you have any questions about what is required for these positions, there are several past Board members who can go over them with you.

I hope to see all of you at the club soon because it's fun to make new friends at the BVSC!

Let's have a great summer!

Kristie Kozara

Get designing and join in the fun!!

In other news..... drum roll please.....**The Killer Flamingos** will be headlining at Adult Night on Friday, August 26th!!!! You won't want to miss the super fun night of music, dancing and all around good times with good people. Appetizers will be provided by Ideal Bites. Tickets are \$25 per person.

Tennis News by Jessica Roberts *and Laurie Hinckley*

The Tennis Program is off to a strong start under the leadership of our new Director of Tennis, Chris Smith. He also has 4 assistant coaches; Laurin Blount, Maddie Fozo, Aimee Moccia and Ben Schmitter. Our junior tennis teams have been restructured to 4 different levels in order to allow for increased personal attention with coaches and to keep players of similar abilities together. We're looking forward to a great match season against our opponents from Woodbrooke and Woodside Swim Clubs.

Kids' tennis lessons are once again being offered in the afternoons on a weekly basis, which allows for flexibility around family travel plans. We are hoping to bring even more juniors onto our tennis team next year by starting to build those fundamental skills in lessons. Coach Chris is also available for private or group lessons for those on an intermediate or higher skill level. He can be contacted at tennis-pro@beechviewswimclub.com

Lastly, our adult tennis program is continuing to grow each week! The adult beginner lessons have been very popular on Tuesday nights at 6 pm, followed by adult drills at 7. Friday nights are adult mixers from 7 to 9 pm; you play four rotations of 30 minutes with a variety of players.

Please look for our weekly tennis updates for the adult program and the kids' lessons. If you have any questions about any of our tennis programs, please contact Jessica Roberts or Laurie Hinckley at tennis@beechviewswimclub.com. We hope to see you on the courts!

Swim News

By Colleen Pakkala and Michelle Axe

Swim team will be finishing up this week with 42 swimmers representing our club at A finals and 8 going to B finals. Good luck everyone!

We have received a lot of compliments about our new swim coach, Kyle. Kids also love the assistant coaches, who have been staying after practice to play cards with the kids and showing off their moves at Float Nights.

Float Nights and the Can Drive have been successful. We have managed to raise enough money to purchase a new Meet Manager system. By the end of the summer, we should have new clocks, as well.

Board Openings!!!

We have lots of Board Positions for next year! Please consider getting involved. Our club counts on our volunteers to run things. If positions aren't filled, we may need to look to outside sources—which are very expensive and take away from our friendly atmosphere.

Open positions are:

Treasurer (1)

Pool and Maintenance (2)

Grounds and Beautification (2)

Swim (2)

Tennis (1)

Secretary (1)

Membership (1)
