Swim Team News

by Colleen Pakkala and Michelle Axe

Hello Breakers!!

We are only three short months away from the start of the 2016 swim season! We hope you are as excited as we are. We have a few changes this year that we are looking forward to. First of all, we are excited to announce our new swim coach, Kyle Kinyon, who comes to us from Kendallwood. We've met with him a few times in the off season and he is quite excited to get started as our new head coach! Kyle has a quite extensive coaching history and hopes to bring fun and hard work together in the pool.

We will have our annual registration night on Thursday, April 21 at 6:30pm at the Beechview Elementary School Cafeteria. We hope you all can come out to register for the team, meet Kyle, try on team suits and have a look at the cool spirit wear being offered this summer. We will have a short parent meeting at 6:45 that evening. Please come out even if you are not sure about signing up for the team!

Our pool and grounds team is working diligently to prepare our pool for a swim team practice start date of Wednesday, May 18. More details will follow!

We are currently looking to fill as many booster positions as possible before the season begins to get a jump start on planning and putting lots of fun events in place. We will be sending out more details shortly on what positions are available and how to get involved.

Colleen Pakkala and Michelle Axe will return as your swim reps for the summer. We are excited to announce that Maria Gascon will also be joining us in order to take over the position in the summer of 2017. Please welcome her!

Swim lessons will also be offered again this year for members and non-members, beginning when school gets out. Spread the word to any non-members you know who may be interested. Dates and pricing to come.

It's going to be another amazing swim season and we hope you'll join us!! If you have any questions at all about the swim team we would love to talk to you! Email us at: swim@beechviewswimclub.com
