Members may bring guests at any time during normal operating hours. However, please remember that a guest is potentially taking the space of a member. Members will be accommodated before guests.

Guest Fees

- Refer to the Schedule of Fees for the current year.
- Guests are limited to a maximum of 7 visits per season.
- Guest fees will be paid at the front desk when entering the facility.

Prospective Members

Visits by prospective members (no guest fees charged) may be authorized by contacting any Board member, who will notify the Membership Board member.

Guest Process

Guests must be signed in by a member at the front entrance before entering the Club. Members must be present with the guest at all times; when the member leaves the Club, then their guests must leave with them.

Children are permitted to bring guests provided he/she has the permission of his/her parents or guardians (the bond holders) on file in the office.

Members can apply for a Nanny Pass to register current nannies under their account for a fixed fee. Members may register more than one nanny; however, only one nanny will be allowed on the premises at one time. The Nanny Pass allows the nanny to use the club when the member's children are under the nanny's care or when the bond holders are in attendance. This pass does not allow the nanny to bring guests into the Club or utilize the club when the bond holders or their children are not in attendance.

Grandchild Pass - Members can apply for a 'Grandchild' pass to allow their grandchildren (under the age of 12) to be added to their membership account for a fixed fee. The fee will apply to the current season only and will need to be renewed each season.

Grandchildren will need to be verified and approved through the Membership board member. Approved children will be added to the Member's eSoft account for the current season.
